

# How do I apply for PA's *Adult Autism Programs?*

The Bureau of Autism Services (BAS) currently serves adults with ASD through two programs:

Adult Community  
Autism Program (ACAP)

Adult Autism Waiver  
(AAW)

*Interested in BAS Programs?*

The first step is to request an application for one or both of the programs to secure a place on the Interest List.

## *Benefits*

Securing a place on the Interest List is the only way to access PA's adult autism programs.

As capacity to support more individuals becomes available, you will already be on the Interest List to receive an application.

You will be among the first to learn about new resources and additional opportunities.

## *How to apply?*

Call 1-866-539-7689.

Follow the prompts to leave a message with basic contact information.

You will receive confirmation of your status on the Interest List.
